

Resolutions Adopted by the Student Body of Flemington High School.

Present in Mass Meeting

May Fourth Nineteen Seventeen

Whereas-Our beloved Nation is confronted with the serious situation of War with a foreign nation that challenges our united and entire support; and

Whereas-We are moved with a laudable pride to see Our Nation bring the issue of this war to a praiseworthy success. Be it therefore

Resolved-That we, the Students of Flemington High School, Flemington, New Jersey, do, hereby pledge our unreserved support to the government of the United States of America in the preparation for and in the execution of our present conflict; and be it further

Resolved-That we most respectfully urge the "immediate prohibition of the liquor traffic for the conservation of food supplies, for the increased efficiency of army, navy, shop and farm for the protection of health and character of our soldiers and sailors, and for the release for national service of the plants and army of workers now engaged in the manufacture and sale of liquors"; and be it further

Resolved-That we most respectfully petition our Representatives in Congress to give their support to the Lever Bill now before the House of Representatives. Be it finally

Resolved-That these resolutions be sent immediately to the Honorable Woodrow Wilson, President; to the Honorable William Hughes and the Honorable Joseph S. Frelinghuysen, United States Senators; and to the Honorable Elijah C. Hutchinson, Congressman of our District.

Respectfully Submitted,
